NOTE—An explanation of the Statistics shows that in the first (12) twelve years of the Conference, congregations rather than church members were counted, and while there is a decrease in membership, that can be accounted for in part by the withdrawal of the white work, which now constitutes the Gulf and Southern German Conferences.

#### REPORT OF COMMITTEE ON STATE OF THE CHURCH.

In reviewing the history of past centuries and measuring the strides that have been made by the followers of the lowly Nazarene, we find no standard unit with which we can measure the upward march of that branch of God's anointed ones known as the Methodist Episcopal Church.

Emerging from a great world crisis of blood and carnage and entering into a mighty shadow of unrest, national misunderstanding, and racial antipathy that threatened seemingly for a time the very foundations of civilization and while the world stood trembling with a gaze of sorrowful amazement, crying with a quivering voice, "Whom shall I send and who will go for us," the old church took the tongs of its methodical system, reached a live coal from the altar of fire upon which it was born and had flourished and touched the tongues of its millions of adherents and with one mighty voice that startled the world each cried for himself, "Here am I; send me."

For a while the whole creation was startled by the magnitude of the Centenary Movement. It was simply the living blaze that had been fanned into action from the coal that was in the breast of the sainted Wesley when he said, "the world is my parish."

It was the patentee of the panacea that was to do the most good in the world's mighty state of unrest, but it was by no means narrow for the patent rights were not reserved, and it said to all its cohorts, "It's a goodly land; let's go up and possess it." There are infringements and imitations but no improvements upon the patent.

This great church has moved so gracefully along these lines that it has forced an involuntary concession from its most severe critics that its system of episcopal supervision, unalterable plan of itinerancy, and its well nigh perfect system of administration by Boards and committees are unexcelled and perhaps not equalled and ere long we look for a complete infringement upon our entire system, for Methodists most of times start the race and others beat us keeping it up for a while, but their fire goes out, water gets cold, steam goes down, and the engine makes a sudden pause, and they wait patiently

until another chance is given to filch a "live coal" and relight their fires.

We, as members of the Louisiana Conference, look with no alarm into the future of the church, for under the careful painstaking leadership of the Great Chieftain who stands at the head of the New Orleans Area, who has played the thief by the grace of God and, through the will the church, in robbing our nearest competitors of the bugaboo of white supervision, we are expected to be led to certain victory and establish in the face of whatever contending forces may be met that this church is built upon the Rock and the gates of hell can not prevail against it.

Committee—Arthur Booker.

We, the Committee, desire to submit the following report:

On Oct. 12, 1921, under the leadership of Bishop R. E. Jones, a great drive was put on to raise money to pay the indebtedness and remodel the property. As a result, fifteen thousand dollars in cash was raised and three thousand dollars in bonifide subscriptions. The debt has been paid, also the taxes and a balance on hand.

The Home is now open to receive the aged people of our race.

Therefore the Louisiana Conference are standing by the officers and members of the band to make it a place of comfort for our old people.

Signed Committee: J. S. Williams, T. F. Robinson, S. M. Hayes, J. B. Johnson.

#### Book Committee.

We, the Committee on the Book Concern, desire to point with pride to the Book Concern of the Methodist Episcopal Church, and we feel honored that we are a part of such a large business that are publishers of not only our own but of the business of the world.

John Wesley said, "The world is my parish," and the Book Concern of this great Church has kept pace and its literature is read in every language and heralded by all nations.

We recommend that every member of the Conference pledge our loyal support to the Book Concern, and that our every effort shall be put forward for its advancement and prosperity.

Signed: H. Daniels, J. O. Richards, M. R. Walker, Secty.

#### Report of Committee on Deaconesses.

Whereas the Discipline of the Methodist Episcopal Church (No. 491) gives us an idea of the encorporal in and functions of the General Deaconess Board for the promotion of Deaconess work throughout the church.

We, the Committee, report that it shall be the duty of every pastor to see that his charge makes an annual contribution for the work of the General Deaconess Boards.

He shall promote and encourage Deaconess work within the bounds of the Conference.

Signed: J. S. Weaver, Chairman; H. B. F. Charles, Secty.

We, your Committee on Sunday Schools, make the following report:

Whereas, we acknowledge the coming Sunday School is the coming church and is a great factor in gathering and molding our young people and lift them to a higher Christian life,

Therefore, be it resolved that every pastor manifest a great interest in the work of the Sunday school.

Signed: H. Taylor, H. A. Sorrell, J. S. Clark.

We, the undersigned Committee on Prohibition and Temperance and Public Morals, beg to submit this our report:

Whereas the Board of Temperance, Prohibition and Public Morals has, under the leadership of Dr. Clarence true Wilson, wedged an pleasing battle against the present day evils, namely Sabbath day lawlessness, gambling, cigarette, mob violence and all other forms of social and moral degeneration.

And whereas, Dr. John N. Coggins, secretary of the Department for colored work is devoting much of his time in preaching the doctrines of Christian and civic morals on the part of young men and women of our race, besides other phases of reforms; whereas be it

Resolved, that we, your committee, recommend that the Louisiana Conference will stand by the program of Dr. Clarence T. Wilson.

Signed: G. Roberson, S. T. Masson, P. C. Blawn, J. P. Johnson, A. B. Vineable, B. Car; S. C. Williams, Sec.

### Report for Christian Stewardship.

Mr. Chairman, we, your Committee, submit this our report on Christian Stewardship:

Whereas, according to our Discipline, Christian Stewardship (On p. 71. §1) states that life is a stewardship. This is the teaching of Jesus Christ. Fundamentally, this teaching throughout the Holy Scriptures is based on God's ownership, both by creation and redemption. This stewardship becomes the Christian interpretation of life itself, and is concerned with the Christian's love of all the resources committed to him, of possessions, of personality, of prayer. The following principles of stewardship should be recognized by every individual Christian.

1. God is the sovereign owner of all things. God invites all men to subdue the earth and possess it.

Therefore every Christian should dedicate a tenth part or more of his earthly income to the service of God as a thank offering, like Abel of old, who offered up to God the lamb of sacrifice, which was more gallant than Cain.

Therefore man is a steward to acquire and administer his possessions as a sacred trust.

Signed: Your Committee—J. H. Thompson, Pres.; T. B. Cooper, Secty.; C. E. Bradford, M. C. Harrison, A. G. Jenkins, F. D. Thompson.

The Southwestern Christian Advocate was founded in New Orleans by Bishop J. C. Hartzell in 1870. During all these years it has supported every interest of the Church and has been a strong arm of defense for the Negro. Its editorials are timely, forceful, clear and convincing. It is a journal of opinion; conservative without being unmanly; it is a maker of sentiment, respects public opinion but does not bow to it.

Therefore be it resolved, that we pledge our undivided support to Dr. L. H. King, and see to it that the Southwestern is put in every home.

Sincerely yours,

B. J. Reddix, Pres. ; T. B. Cooper, Sec.

### Evangelism.

Bishop and Brothers of the Louisiana Conference, we, the undersigned Committee on Evangelism, heartily endorse evangelism, for it is a commandment of God. Christ said, "go." We endorse that evangelism is what he meant. We endorse that the Bishop will give every pastor of this Conference an evangelistic vision before leaving this Conference.

Signed: S. J. Jackson, S. Green, H. J. Williams, G. Roberson, J. J. Roodridge, S. M. G. Tayles and J. H. Thompson, Committee.

#### Report of the Committee on the Board of Foreign of Missions.

Whereas the Board of Foreign Missions is one of the great boards of the Methodist Episcopal Church, whose purpose it is to send the gospel to the foreign lands and the ends of the earth. And whereas it can not carry this without means, therefore be it

Resolved, that we will do our best to raise our Centenary quota by Easter, and also recommend that each pastor will raise his full quota so that the Board may have the necessary funds to carry on its work.

Signed: E. J. Harrison, J. Wise, Silas Robertson, Thomas Williams, Secretary.

#### Report of Committee on Conference Relations.

We, the Committee on Conference Relation, recommend that the following brothers be retired:

Bedford Carr, James Roberson, S. A. Mason, Geo. Thomas, G. A. Payne, P. Bibbs.

The Committee recommends that Brother C. C. Landry be given supernumerary relation.

#### Report of Committee on Episcopal Residence.

Whereas, we feel the need of an episcopal residence.

Whereas, other areas in our church have such residences.

Resolved, that the Louisiana Conference will support the movement most heartily.

Resolved, that each district superintendent set apart a day for the collection of funds for said cause.

Resolved, that we will ask each member for an average of 25 cents.

Respectfully submitted by Committee, J. I. Johnson, Ch.; J. D. David, Secty.

#### The Orphan Home.

We, the members of the Committee on Orphan's Home, beg to submit the following report with reference to the Home and its affairs from information received.

It appears from the record that as an institution, it has ceased to function, owing to its management being conducted from the office of the Board of Education for Negroes in Cincinnati, rather than its domicile as fixed by the Charter.

However, we are now informed that the future of the property and its maintenance will be under the care and direction of the Parent Board of the Woman's Home Missionary Society, and that its object and purpose will be to operate the same as an Orphan Home and Training school for orphans and other children of Methodist families in the bounds of the Conference and otherwise.

With this end in view, and with the hope that the good work will be carried on successfully, and as directed by the founders, we respectfully recommend it to the confidence and full support of our entire membership and ask for the Home full support in every way. We desire to go on record and tender to the Woman's Home Missionary Society our hearty thanks and appreciation for what it seeks to do in this direction, and assure them of our love and confidence and shall work and pray for the continued success of the Home.

Respectfully submitted,

J. A. LINDSAY, Pres.

### COMMITTEE ON BOARD OF EDUCATION.

Among the many Boards that compose the great system of the Methodist Episcopal Church, we consider this to be one of the most important and under the capable management of Dr. Abram W. Harris has grown wonderfully in its sphere of usefulness. We would ask that our pastors give special attention to the Childrens Day funds, that the usefulness of the Students' Loan Fund might be strengthened and the far-reaching effectiveness extended.

While not selfish, yet as an economic feature our greatest interest lies in the Board of Education for Negroes. Under the matchless leadership of Drs. Maveety and Penn this Board, aided by the Centenary, has spread its wings and soared to heights hitherto undreamed of. But, may we urge that for this particular reason the brothers of this Louisiana Annual Conference raise their quotas of the Centenary that in the mind of the great church there can never come the faintest sigh of regret for having given such a liberal appropriation to this Board sincerely for the lavished interest in the educational institutions in this Conference, and we shall ever pray for those who manage the functions of this Board.

Committee. Arthur Booker.

### Report of the Auditing Committee.

We, the Auditing Committee, beg leave to submit our report. We have examined the accounts of the Treasurer of the Conference Board of Stewards and Board of Home Missions and Church Extension, and found same to be correct.

Signed: J. A. Williams, Ch.; J. D. David, Secty.

### Report of Board of Home Missions and Church Extension

We are grateful for the considerations of the Board of Home Missions and Church Extension in its aid, which came to us in time of great need and has helped us so much in pushing forward the Redeemer's Kingdom.

Resolved that we increase our collection and endeavor to raise every cent of our quota and all of the deficit, if any, for the same.

Signed: W. H. Jones, Ch.; H. B. F. Charles, Secty.

### Committee on Life Service.

Seeing the needs for the perpetual activities in our church we put ourselves on record to do more constructive work. We must go into our churches, especially our Sunday schools, and get the live wires to consecrate themselves for life service for Christ.

Therefore we pledge ourselves to secure person for life service for the advancement of Methodism, and pushing forward of the Redeemer's Kingdom.

Signed: W. H. Hampton, Z. Smalley, D. A. Landry, T. A. Hampton, Ch.; W. H. Jones, Secty.

### The Louisiana Annual Conference.

Bishop and Brethren. Whereas we realize that the services of the Flint Goodrich Hospital is of incalculable good to this Area and not the Area alone but to our race in general.

Therefore be it resolved that we pledge ourselves to stand by the Hospital and will give Dr. Heath our fullest support.

Yours respectively.

Signed: C. W. Reeves, J. A. Lindsay, T. F. Robinson.

Signed: J. S. Weaver, E. Hutchinson, Secty.

Whereas the W. H. M. S. is doing a greater work than ever, and Whereas, they have pledged the National Board of the W. H. M. S. to stand by Peck Home and the reopening of the Orphan's Home at Baldwin, La.
